KAHS's 62nd Year to Begin

It has been almost a year, believe it or not, since we celebrated the 60th anniversary of the Society culminating in the May 9th Open House at the Wanda Kirk library. In the past year we have enjoyed hearing from a number of members who have shared their family stories. We hope you have enjoyed them as much as we have. And now we have a new year starting June 1st, which means membership fees are due. If you click on the link below (or type it into your browser) it will take you to the membership form on the KAHS website which you can print and mail in with your check.

The Kern Antelope Historical Society was established in 1959 for the purpose of learning and preserving the history of California, especially the Antelope Valley, which includes parts of Los Angeles and Kern counties. Speakers are invited to talk at our monthly meetings about aspects of our various cultures. Subjects range from Indians of the past to the Space Age. The Society offers field trips for members to significant locations in and around the valley throughout the year. Come join us to learn more about the wonders of this area we live in and also meet some new people.
