Hello to all our Kern Antelope Historical Society Members,

As we are still under restrictions for gathering in California, there will be no regular monthly meeting. Please watch your email (or posted mail if you don’t have email) for news on when our next meeting will be held. Also, we are looking into alternative ways to bring interesting speakers to you until we can meet together. Thank you for your continued interest in and support of KAHS.

**National Wreaths Across America Day**
**December 19, 2020**

In 1992, the Worcester Wreath Co., of Maine, had an surplus of wreaths nearing the end of the Christmas season, and the owner, Morrill Worcester, decided to use the wreaths to honor our nation’s veterans by placing them at Arlington National Cemetery in one of the older sections of the cemetery that had been receiving fewer visitors with each passing year. This became a regular event for a number of years until this picture of the wreaths on the snow-covered graves at Arlington went viral in 2005 and thousands of requests came in for wreaths to be placed at national and state cemeteries throughout the country. In 2007, the Worcester family, along with veterans, and other groups and individuals who had helped with their annual veterans wreath ceremony in Arlington, formed Wreaths Across America, a non-profit 501-(c)(3) organization, to continue and expand this effort, and support other groups around the country who wanted to do the same. The mission of the group is simple: Remember, Honor, Teach!

If you are interested in sponsoring a wreath, only $15 each, you can go online to the website below to learn more about the program and donate with a credit card or print out an “Sponsorship” form and send it off with a check. We have a local group who organizes the placing or wreaths at the Mojave Cemetery. The local coordinator says there are 499 veterans interred there! You may even have a friend or relative who served and is buried in Mojave. I hope you’ll check out Wreaths Across America. And $5 of every wreath sponsorship goes towards a local sponsorship group, in this case Mojave High School.

We had hoped to have a speaker at one of our fall meetings to tell us more about this program and answer any questions but, as you know, we can’t do that now. So I hope you’ll check out the website and consider sponsoring a wreath. Here is the address for the Wreaths Across America website: [https://wreathsacrossamerica.org/](https://wreathsacrossamerica.org/)
Please notice:  if you are receiving a hardcopy (black and white copy) of this newsletter and would like to enjoy it in color, it is available at our website: www.kahs1959.org.

So what have you been doing during this pandemic lockdown?  Maybe things feel like they’re getting back to normal?  Some of you may be looking for something new or different to do?  And some may feel like things have been about the same.  But this might be a great time to work on your family story.

Here are some tips on how to do that.  On our KAHS website, click on the Speakers tab (or click on the link right here: http://kahs1959.org/Speakers/speakers.html).  We have links to most of our guest speakers from the last year or so.  It’s a great collection of local people telling their family histories or stories.  And one of our first 'local' speakers was Chavonne Bradley Sladek who did a great job, along with her dad, Garr, in telling their family story.  Incorporated into that Chavonne gave a number of tips on collecting information.  She gave an example of feverishly writing down facts while interviewing her grandfather, but “missing the story” as she later discovered.  One suggestion is to use a tape recorder, set out of the way so it doesn’t intimidate the person being interviewed.

So I’d like to suggest you check out the KAHS website.  Maybe you missed some of the meetings - did you see Cliff Burton’s presentation or Tom and Fran Leftwich, Gretchen sharing about Ezra Hamilton and a number of other interesting talks.  Or maybe you just want to refresh your memory.  Or - maybe it’s time to start that family history - check out Chavonne’s presentation if you want some ideas on how to get started.

I think you’ll find some great information.  Copies of recent newsletters are also available, as well as other information.  And the first online KAHS book is also available, Glimpse of the Prehistory of Antelope Valley, by Stuart Glennan.

2020 Has been a hard year for many individuals and businesses.  The Kern Antelope Historical Society will be paying tribute to many Rosamond businesses, whether they are members or not, in the next months.  A KAHS member will be going around and talking to owners or managers and getting a little history the business, and a photograph if possible, to help us promote Rosamond commerce and trade.  We hope you will help support our local entrepreneurs and enjoy these bits of Rosamond history.

This month KAHS would like to feature Roberto’s Mexican Food, located at 4401 W Rosamond Blvd, 5 & 6.  Roberto tells that his father taught him to work hard in the fields of Mexico and in 1986 they moved to Rosamond when Roberto was 16 years old.  He started working right away and has been working ever since.  Prior to opening his own business, he worked at Schooners, Black Angus, and even Ramon’s, which is owned by his cousin.  Roberto had opened a restaurant in Mojave in 2008, which he operated for two years, but when the central Post Office moved to Santa Clarita, he had to close.  Then in 2013, he opened his restaurant here in Rosamond.  Over the years, Roberto has added more booths and tables, as his business has grown.  They have a liquor license and also offer catering.  Roberto’s wife, two daughters, and his son all work in the family business.  Roberto likes spending time with family, but the only time everyone is off together is at Thanksgiving and Christmas when they are closed, making those special times.
The Kern Antelope Historical Society greatly appreciates its business members.
We hope you will support them and say thanks when you see them.
